

## WANT COLUMN.

## DR. PRENTICE

Now at Bixby House, Sherman, Texas, for Two Weeks.

Patients are coming to him from hundreds of miles distant. He is doing business for and receiving correspondence from many physicians of Texas and adjoining states. Dr. Prentice performs operations in one minute, and without pain, that many surgeons take hours to do, while patients and friends are in agonizing fear as to the result. He is curing cases every day that have been given up as hopeless by the best surgeons of America.

## R. A. MYATT.

My wife's eye has been badly diseased for four years; the doctors told me the other eye would have to be cut out. She has suffered terribly for many weeks. Dr. Prentice treated her just one week, and she is now perfectly free from pain, and her eye has improved more than I ever expected.
